### Cards per team

Note:

- 2 yellow cards are counted as 2 yellow cards instead of as 1 red card. [Same match, same player of course].
- The total cards counted over the whole tournament. This could be unfair to those teams that played until the end. A better measurement would be number of cards per match but I have no sufficient data to do that.

Group1	all cards	yellow	Red
Switzerland	16	15	1
Birmingham	1	1	
Belgium	0	0	
Holland	3	3	
Toulouse	2	2	

Group2	all cards	yellow	Red
Sweden	4	3	1
Munchen	2	2	
Norway	5	4	1
London	2	2	
Scandinavia	0	2	

Group3	all cards	yellow	Red
Amsterdam	1	1	
Katanga	10	10	
France	4	3	1
Nurenberg	3	3	
Cologne	6	6	

USA	1	1
